

# **Your Capital Quality Journey**

Capital Quality supports continuous professional development for early childhood education professionals, informs subsidy rates and provides information for families.

Start your Capital Quality journey to connect to resources that help your early learning program be the best it can be.

## **Enrollment**

- Licensing checks are completed
- Facilities that have a Provider Agreement for Subsidized Child Care Services with OSSE are automatically enrolled in Capital Quality, but all licensed child development facilities are encouraged to participate
- Quality facilitator is assigned

## **Quality Facilitation**

- Receive technical assistance to help understand the observations, Infant Toddler Environment Rating Scale-Third Edition (ITERS-3), Family Child Care Environment Rating Scale-Third Edition (FCCERS-3) and/or Classroom Assessment Scoring System (CLASS)
- Participate in communities of practice (CoP)
- Develop quality improvement plan

#### **Observations**

- Trained, independent contractors conduct the CLASS, ITERS-3 and FCCERS-3 observations in each facility
- Facilities receive program-level
- Facility is assigned its Capital Quality designation based on the results of the CLASS, ITERS-3 or FCCERS-3
  - Capital Quality designation will be posted on mychildcaredc.org

## **Continuous** Quality **Improvement**

- Monitor, track and measure your progress toward your goals
- Revise goals or set new goals as needed

**Improved Program** 

### **Quality Facilitation**

 Receive targeted coaching, trainings and resources to help your program achieve its quality improvement
